EDUCATION

Senior Student | TED Izmir College High School

Sep 2021 – Ongoing

Izmir, Turkey

Anticipated Graduation: Jun 2025

Follow the Turkish Ministry of Education high school curriculum (Turkish – Math Concentration)

Distinctions: High Honor Certificate for Grade 11 and Honor Certificate for Grade 9

ENTREPRENEURSHIP

Storytree 4M4

Feb 2024 – Ongoing

Work on a project under guidance to help the healing process of hospitalised children with a peer who is interested in studying design, and named the project after our first initial “M” and an inside joke about our meeting, “44”: Storytree 4M4

- Completed the first prototype of Storytree 4M4 and currently continue improving it discussing many issues such as how to minimise the cost of the tree, how to easily send it to different locations, etc.
- Become familiar with many business terms and gain insight into topics like procurement, cost, supply chain and many more
- Gain a rough idea about how to lead a social project and grow more consciousness about the role of social projects in society
- Pay attention to details and understand the importance of strength of ideas that are away from cliches when it comes to raising societal interest

ACADEMIC ENRICHMENT

Guildhouse School: Bloomberg Business Advantage Summer School

Jul 2024

- Learned how to use Bloomberg Terminals and explored analytics directly on financial markets, familiarising myself with the kind of information stream industry professionals have
- Researched several topics and presented the subject to a panel of expert judges
- Visited London and connected with an international cohort of other students interested in the business and finance fields
- Earned the Bloomberg Market Concepts certification

Philanthropy University: Branding 101

Summer of 2024

- Took the course recommended for early-stage social entrepreneurs and learned how to build a brand that will get the necessary attention by delving into topics such as the power of branding, developing brand identity and implementing it

EXTRACURRICULAR ACTIVITIES

B'nai B'rith Youth Organization (BBYO) International Convention

Feb 2024

- Attended the 100th annual BBYO International Convention in Orlando, Florida, USA, and celebrated its long history of creating opportunities for Jewish youth from all around the world with many different backgrounds to get to know each other and form connections
- Attended activities and talks

Model United Nations

Mar 2023

- Went to New York City, NY, USA and took part in several debates

SOCIAL RESPONSIBILITIES

TED Izmir College High School Social Responsibility Club

2021 – 2022

- Volunteered as part of my high school's Social Responsibility Club where we get involved in various aid efforts such as visiting schools for students with special needs to help out and socialize with other kids, raising funds for supplies to primary schools in more rural and marginalized areas or funds for animal shelters around Izmir

SKILLS AND HOBBIES

- Turkish (Native)
- English
- Spanish (Beginner)
- Rhythmic gymnastics (From age 8-16, performed in events in Turkey and Israel throughout the years)
